Benefit from an immersive experience, featuring 3 Virtual Tours, 1 Video, and 111 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Eagle 40 - Contact our Waterline Boats Broker!

Boat REF# · 324703 Length · 40'0" Year · 1995 Construction · GRP Underwater profile · Semi-Displacement Sleeping berths · 6 Engine · 1 x diesel 220hp, Cummins 6BTA 5.9M (1995) Lying · At our docks! Everett, WA USA Broker's Comments: The current owners have owned and loved this 1995 Transpacific Eagle 40 for 20 years. She has cruised extensively throughout British Columbia, Alaska, the Great Lakes, up and down the East Coast and to the Bahama's; she has experience under her keel! When not cruising, she has been kept in private, single bay dry storage for the last nine years; her brightwork, gel coat and beautiful green awlgrip show the care. This Eagle 40 has classic salty and understated charm, robust construction and a generous beam; the deep bow and full-length keel contribute to her stability and together creates a spacious and comfortable interior which, in my opinion, serves either a live-aboard or long-range cruising lifestyle. Even the detail of the deep fiddles along the counter tops and tables and the shelving system acknowledges the possibilities of cruising in big water. She is a well-cared for beauty! If long range comfortable cruising is in your future you will not want to miss this opportunity!
