SPECIFICATIONS

Overview

The Helmsman Trawlers 38 Sedan is a new model, adapted from the previous 37 Sedan model. Photos shown are of the 37 Sedan, and will be replaced as new photos become available. All Helmsman Trawlers feature proven, solid construction methods, exceptional craftsmanship, abundant use of quality materials, and beamy, capable hull designs. The Helmsman Trawlers 38 Sedan is Helmsman Trawlers' most "traditional" trawler design, and is available with several interior layouts. With a europa-style trawler configuration, featuring full walk-around covered side decks, this is the modern execution of a familiar sedan trawler profile. The 38 Sedan is modified from its predecessor 37 Sedan by moving the transom aft by more than 2', and using the additional on-deck length to increase the salon interior volume. The upper deck has likewise increased in length by 2'+, allowing for more dinghy-carrying configurations. The cockpit remains the same large size that was a feature on the 37 Sedan. A variety of interior layouts are available:

- Single stateroom with separate head and shower compartments
- Two staterooms with integrated head / shower
- Salon with U-shaped dinette and raised port side companion seating area and starboard linear galley
- Salon with L-shaped dinette and forward port L-shaped galley

In all cases the interior is modern yet richly nautical with its use of teak and holly floors and teak joinery. Opening windows are a hallmark of Helmsman Trawlers, for good ventilation. The upper deck is designed for entertaining with seating for six or more, and the flybridge control station is standard. Construction quality is immediately evidenced by thick decks sections, deep gel coat, sturdy rails, quality hardware, abundant teak (interior only!) and extraordinary fit and finish. Standard propulsion is a Cummins QSB 6.7 litre 250 hp electronically-controlled common rail engine. Other hp ratings (up to 550 hp) are available. Minimal exterior maintenance and reliable, economical propulsion systems allow owners to spend more time cruising. A wide range of options and custom configurations are available for order. We'd like to talk with you about your ideas! Price is for the base model, delivered in Seattle, WA or Charleston, SC, including all U.S. duties. Subsequent transportation may be additional. Canadians and other non-U.S. residents should inquire about pricing for non-U.S. deliveries.

Basic Information

Category: trawler

Sub Category: Sedan

Model Year: 2024

Year Built: 2024

Country: United States
