Benefit from an immersive experience, featuring 4 Virtual Tours, 1 Video, and 89 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Stockland 36 Trawler - Contact our Waterline Boats Broker!

Boat REF# · 306313 Length · 10.97m Year · 1966 Construction · Wood Underwater profile · Full-Displacement Sleeping berths · 2 Engine · 1 x diesel 180hp, Isuzu Suzie 6BG1TQW (2005) Lying · Port Angeles, WA USA By Appt. Broker's Comments: Originally built as a commercial gillnetter / troller and converted to a recreational trawler yacht. This classic wooden trawler is rich with Pacific Northwest character! Constructed to be stout and seaworthy, her solid construction has been proven by the years. With 450 gallons of fuel aboard, and what appears to be a well-maintained newer Isuzu diesel engine (an engine with a reputation for commercial ruggedness) this vessel could make it to Alaska and back - without refueling. Other noteworthy qualities include the open back deck well suited for recreational fishing, 285 cu ft cargo hold, three steering stations, anti-rolling paravanes and poles, and a Dickinson diesel stove to keep the cabin warm and dry. A buyer would likely install a marine toilet in the head compartment. Another simple modification would be to convert the forward single berth into a V-berth configuration to improve the sleeping arrangements for couples.

Basic Information

Category: trawler

Sub Category: Pilothouse

Model Year: 1966

Year Built: 1966

Country: United States

Dimensions

LOA: 36' (10.97m)
