Benefit from an immersive experience, featuring 2 Virtual Tours, 1 Video, and 103 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Mercator 30 - Contact our Waterline Boats Broker!

Boat REF# · 324601 Length · 30'0" Year · 1978 Construction · GRP Underwater profile · Fin Sleeping berths · 6 Engine · 1 x diesel 27hp, Yanmar 3GM30F () Lying · Port Townsend, Wa USA -- Shown by Appointment Broker's Comments: This Mercator II Offshores were built in Washington State and seems to be a well-built capable cruiser. This particular vessel is well suited for cruising and has made several known trips to Alaska and back. Here in the Northwest, I appreciate the propane fireplace for heat, and the red-dot heater capable of warming the cabin with engine heat. The capacity of the fuel tank provides a range under power of ~500 miles. The Mercator design has proven itself in at least one circumnavigation, that of the Brinestormer. The interior has a very open and comfortable feel and the interior woodwork and joinery is warm and inviting and exceeds what is found on many boats. The layout provides a good amount of storage and sleeping accommodations. This Mercator II Offshore presents a great opportunity for an individual or family to cruise near or far at an affordable price.
