Benefit from an immersive experience, featuring 7 Virtual Tours, 1 Video, and 93 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Trojan F-32 - Contact our Waterline Boats Broker!

Boat REF# · 317472 Length · 32'0" Year · 1978 Construction · GRP Underwater profile · Planing Sleeping berths · 5 Engine · 2 x diesel 250hp, Cummins Model 4-BTA (1998) Lying · Bremerton, WA USA -- Shown by Appointment Broker's Comments: Here is a vessel that has had a considerable number of upgrades, including replacement of the original gas engines with Cummins diesels. The electrical system has been rewired, and fuel tanks replaced. The cockpit and swim step were re-designed and rebuilt out of aluminum. At the same time the waterline and swim step were extended. The cockpit and the flybridge have fiberglass hard tops. There is a custom made stainless steel ladder to the enclosed flybridge as well as a stainless steel radar arch. Much of this extensive work was done with the intent to use the boat as a charter fishing boat. The current owner intended to use the boat in Alaska so he installed the diesel stove for both cooking and as a heat source. This Trojan is now ready for charter, long distance cruising, live-aboard, or other family adventures.
