Enjoy a thorough viewing experience, with 4 Virtual Tours, 1 Video, and 116 pictures, along with detailed specifications and insightful broker's notes. Everything related to the Universal 36 is available - Contact our Waterline Boats Broker!

Boat REF# · 316345 Length · 36'0" Year · 1978 Material · GRP Underwater Profile · Full-Displacement Sleeping Berths · 5 Engine · 1 x diesel 120hp, Ford Lehman (1978) Position · Kingston, WA USA By Appointment Broker's Observations: This is a robustly constructed, full displacement, fiberglass trawler manufactured at the Universal boat yard in Taiwan. This yard subsequently created the "Ocean Alexander" series of yachts, renowned for high-quality production. The amount of internal living space and features that the popular tri-cabin trawler offers never ceases to amaze me: two bedrooms and two bathrooms, with a spacious lounge situated in between. This Universal 36 is abundant in welcoming teak, both inside and out. Kept under cover, the exterior of this vessel is in excellent condition. With significant capacity for fuel and water, a Ford Lehman Diesel engine, and sturdy hand laid fiberglass hull design, this vessel would have been an exemplary cruiser as factory equipped. Over the years, thoughtful enhancements have further improved this initial framework. The heating system has been upgraded to a Webasto diesel hydronic furnace. The inverter/charger was recently replaced with a MagnaSine 2812 unit, modern Raymarine navigation electronics enhance the upper and lower helm station, and a bimini and clear isinglass panels permit the flybridge to be used and managed in all weather conditions. This is an appealing and well-equipped trawler for local or distance cruising. She is also appropriately configured for liveaboard scenarios.
