Boat REF# · 324777 Length · 32'0" Year · 1981 Construction · GRP Underwater profile · Semi-Displacement Sleeping berths · 6 Engine · 2 x diesel 155hp, Yanmar 4LHA-HTE (2004) **Lying · Seattle, WA USA - At Our Docks! Broker's Comments:** This is one of Bayliner's most popular design models in this class. With more than 3,000 of these spacious cruisers built you will be sure to find replacement parts as needed, and know you have a well-proven vessel below your feet. She has an enormous and useful interior space for a 32' cruising yacht. With three separate sleeping areas that includes a large aft double berth with a in-suite vanity, mirror and sink; a full sized V-berth forward with head and shower; as well as a dinette that converts to a double berth you will have plenty of room for yourselves and your guest. The galley has a double sink, full sized refrigerator and three burner stove and oven. Everything you need to create great evening meals and an early morning breakfast the next day before continuing your voyage. One of her many upgrades are the newer (2004) twin diesel Yanmar 155 engines. They are quality, economical engines and provide a great cruising range and a smooth comfortable ride with minimal fuel consumption at cruising speeds. The flybridge is roomy enough for a number of guests and the aft cockpit is plenty large enough to lounge, fish, crab, and work in with safety and comfort in mind. She is well outfitted and her fully enclosed flybridge and interior helm make her a great year round Pacific Northwest Cruiser.
