Boat REF# · 326710 Length · 32'0" Year · 1991 Construction · GRP Underwater profile · Semi-Displacement Sleeping berths · 6 Engine · 2 x diesel 140hp, Hino (1991) Lying · Seattle, WA USA - Shown by Appointment Broker's Comments: Bayliner's 32 series has always been a very popular family cruising boat. With sleeping space for six including the convertible dinette it is comfortable for two couples and kids. Access to the engines is great. Two large deck hatches make engine and battery service easy. The flybridge has seating easily for six adults. The top of the hardtop cover for the cockpit supplies additional seating. This model, with twin 140 Hp diesel engines, gives you a good cruising range. Over all this boat works for family cruising and long range exploring. Another strong point is that current moorage on Lake Union is transferable.
