Boat REF# · 323226 Length · 28'0" Year · 1995 Construction · GRP Underwater profile · Planing Sleeping berths · 5 Engine · 1 x gasoline 300hp, MerCruiser 7.4 / V8 Bravo (1995) Lying · Seattle, WA USA - Shown by Appointment Broker's Comments: The Bayliner 2858 has made a good impression on folks that have made it their first "Big Boat". With the capability of sleeping five (six if two are kids) and with a flybridge it is a great entry level boat or even a good choice if downsizing is the objective. Powered with a 7.4 liter MerCruiser it will get you to the Islands in 4-5 hours from Seattle. This one has a very nice Walker Bay dinghy plus a galvanized triple axle trailer for those winter storage months when you don't want to be paying moorage fees. A triple axle trailer and a Walker Bay dinghy would cost over \$10,000 so you're getting the boat for under \$20,000. Located at our display moorage on Lake Union. Summer is calling!
