SPECIFICATIONS

Overview

Great Family Cruiser! Boat REF# · 326245 Length · 29'0" Year · 1998 Construction · GRP Underwater profile · Planing Sleeping berths · 6 Engine · 2 x gasoline 300hp, MerCruiser 5.0 liter (1998) Lying · Lake Union, WA USA - Shown by Appointment Broker's Comments: The Sea Ray 290 is a quality-built mid-sized cruiser that has dominated the Express Cruiser market for many years. Sea Ray always builds a solid boat, as this shows at a hull weight of over 9000 lbs. The interior layout includes a double berth forward and a large sleeping area aft under the cockpit. The cockpit includes a double drop down helm seat, a double companion seat to port, a full-width drop down bench seat across the stern, and another double seat forward to starboard. The windshield opens to provide easy access to the foredeck. This is a great family cruiser offering the additional confidence and safety of twin engines.
