Broker's Comments:The Bayliner 265 Ciera Sunbridge model is one of the most popular models built by US Marine. It is considered tailorable due to its beam of 8' 6". The Sunbridge aft section provides great forward-facing seating for four people with the hinged seat back plus the helm seat.The boat very clean and has had light use the last 2 years. This is a great family boat and has the ability to sleep four adults.
