### Broker's Remarks:

Sea Ray has reigned supreme in the mid-cabin cruisers market for over four decades, and that dominance is well justified.

### Key advantages of the 260 Sundancer model encompass:

- A neat cockpit featuring a wet bar, lounging area on the port side and a transom entrance.- A central companionway opening up to a well-equipped kitchenette on the port side,- A convertible V-berth / dining area at the front.- An aft cabin and a private, enclosed toilet/shower on the starboard side.- A pass-through windshield allowing access to the foredeck.- Construction of hull and decks using high-quality vinylester resins.- Inclusion of an elongated, built-in swimming platform. The watercraft includes a refurbished 350 MerCruiser I/O. The cockpit is completely covered with Sunbrella fabric. This watercraft is a superb choice for a family leisure boat.
