SPECIFICATIONS

Overview

The yacht was built and delivered to its first and only Owner in 2016. Exclusively for family use in Mediterranean waters, the vessel has been serviced at all times by an authorized dealer and is in excellent technical and aesthetic condition. The model is part of the line of classic flybridge cruisers and has remained relevant for many years. The sleek, visually light silhouette of the yacht is emphasized by the windows of the superstructure, which offer a wide view from the salon. The body contours provide a comfortable ride at all speed ranges. The maximum speed of the model is 32 knots, cruising speed is 26 knots. For joint relaxation, in addition to the salon, guests are offered three open areas: a beach area with sun loungers on the bow of the yacht, a dining area with sofas on the flybridge with an area of 19 m² and a lounge in the cockpit, from where you can go down to the swimming platform. The yacht's interiors are distinguished by laconicism and Italian chic. The living area on the lower deck combines three cabins. The master cabin amidships is full-hull wide and has a king-size bed. Guests are provided with a VIP cabin in the bow and a cabin with two single beds on the starboard side.
