SPECIFICATIONS

Overview

Introduced in 1978 the Pacific Seacraft 37, or as many still refer to it, the Crealock 37, is an impressive world voyager, and it continues to be in demand by serious sailors looking for a high-quality bluewater cruiser. Pacific Seacraft builds stout boats, and its construction techniques are conservative and well proven. The deep cockpit exudes a sense of security. The seats are long enough to sleep on, and the backs are angled for good support. The cockpit sole is actually a well-sealed access hatch to the engine compartment—a great feature. The starboard locker is quite large. Coamings have built-in winch handle boxes, and there is a propane locker on the aft deck, behind the cockpit.

Basic Information

Category: Cruising Sailboat

Model Year: 1990

Year Built: 1990

Country: United States

Dimensions

LOA: 37' (11.28mm)

LWL: 27' 9" (8.46mm)

Beam: 10.83
