SPECIFICATIONS

Overview

The remarkable new Wallypower 58X embraces the familiar walkaround design found in the existing Wallypower 58 model and adds an extra WOW factor! No less than Four Mercury Verado 600hp V12 outboard engines!

The Wallypower 58X employs a pair of retractable aft bulwarks and a spacious sunpad for four people, resulting in an expansive 25-square-meter beach club area with a hydraulic passerelle serving as a convenient bathing ladder. Coupled with a lower salon and master cabin/heads, this is without question 'the ultimate day boat'.

BROKER COMMENTS: WALLEYE combines "cutting-edge outboard performance with the essential access to the water that the Wallypower line is known for. As one would expect from wally, the aesthetics of the vessel are impeccably designed and finished." WALLEYE is available immediately and in perfect condition. Factory warranty remains until Spring 2025.
