SPECIFICATIONS

Overview

Obsessions is the perfect name for a yacht of this stature, pedigree and mystique. Now available for sale, this stunning and unique yacht is ready to capture your attention. Commissioned by one of Asia's royal families who wanted to enjoy fishing trips in speed and the utmost of style and comfort, Obsessions was built by Heesen in 1996 and very much lives up to the Dutch shipyard's reputation for excellence in design and engineering. Designed by Mulder, with an interior by Diaship, at the time of launch Obsessions represented the pinnacle of yachting.

Now in the care of her second owner, Obsessions enjoys a peaceful lifestyle in the Philippines, mainly going for sunset cruises around a stunning island. While this is a relaxed usage of the yacht, the owner believes the time has come for someone to take Obsessions and use her in a more exciting and "fit for purpose" manner. Could this person be you?

Obsessions is powered by twin MTU 3500hp turbodiesels, with a design top speed over 30 knots. While the hull is designed to showcase impressive speed for a yacht of this size, at 8 knots Obsessions can achieve a range of over 6000 nautical miles, giving incredible versatility of use. In terms of guest sleeping accommodations, Obsessions has a Master stateroom, VIP stateroom, a port cabin, and starboard cabin. Crew accommodations are: Captain's cabin (2 bunks), Engineer's cabin (2 bunks), Forward cabin (2 bunks), and a crew lounge. For more information on this iconic superyacht, please contact us today.
