SPECIFICATIONS

Overview

Lagoon Sixty 5 sailing catamaran is a worthy successor to a 620 model with beautiful proportions and extended sail area of 330m² containing the sail wardrobe with a mainsail and a genoa. With smooth and easy handling, her sailing assets and performance underway are sure to meet the highest of expectations.

Offering plenty of space for sunbathing, her layout is completed with an elevated fluidity throughout her decks within her low stairs and wide transom platforms connected by a fixed bridge allowing movement between spaces even while lowered to sea level.

Her flybridge represents a comprehensive living space with two helm stations, lounging and dining area, covered with a bimini fitted with glass, allowing to see the hoisted sails.

Her elegant interior by Nauta Design epitomizes the connection to nature within an open-flow layout flooded with natural light, beige upholstery and grey oak finishes throughout the catamaran, so that moving from space to space lets you feel the interior's harmony.

This Lagoon SIXTY 5 offers 5 guest cabins.

The versatile front terrace area can be accessed both from the main saloon and from the owners suite, which makes it private for the owner. Uninterrupted spaces join the interior and exterior seamlessly and open views onto the beauty that you can sail to.

Basic Information
