Broker's Comments:Here is a great floor plan for living aboard in comfort. Notable is the enclosed large aft deck with washer and dryer, a bar sink with ice maker. and a round glass table providing dining for four. A great place to hang on the aft deck! The three cabin layout with the three heads provide plenty of privacy. There is a very modern well-equipped galley with these features: double sink with a garbage disposal, dish washer, trash compactor, large refrigerator with freezer, Princess electric stove with oven, microwave and toaster oven. The interior is beautiful teak paneling The previous two owners primary lived aboard so the machinery shows light use. The advertised price allows for some apparent wear and tear due to age and use.
