Broker's Comments: The Uniflite 32 Sport Sedan is a well-made vessel built by a legendary Pacific Northwest boat builder. This vessel has been predominately kept in fresh water with the occasional trips to various saltwater destinations. The current owner knows the previous two owners of the boat and how they maintained the vessel. Over his ownership he has continually made improvements to both the electronics and hardware of the vessel.

The boat features a forward cabin along with a forward port side head. An ampule galley with a refrigerator and 3 burner stove and oven. Connecting the galley and the aft deck is a salon with comfortable seating for 6 or more people. This makes the vessel perfect for entertaining or as a small liveaboard. Complementing the well-kept interior spaces this vessel has a beautiful and functional fly bridge. This vessel is perfect for weekend cruising or occasional trips to farther locations.
