SPECIFICATIONS

Overview

With taut lines, a new stepped hull and a stylish deck plan, the Oceanis 51.1 is the first of a new generation. Easy to handle, comfortable and smart, the number of customizations available has been increased to provide more than 700 combinations. Exterior Design One-third of the Oceanis 51.1's hull is now stepped. In addition to the aesthetics of this flared shape, the new hull creates additional interior space allowing for exciting new layouts on a boat this size. With an emphasis on taut cruiser lines, she is a joy to move around and reassuringly safe. The spacious cockpit, many relaxation, and sunbathing areas, as well as an aft swim platform, promise true comfort. Interior Design The large hull portholes bathe the boat in light and elegantly emphasize the interior design by Nauta Design creating a wonderful atmosphere. A choice of brushed oak or mahogany woodwork ambiances increases the opportunities for customization. The Oceanis 51.1 is spacious, elegant, cleverly designed, fast, and successfully revisits the cruising yacht.
