SPECIFICATIONS

Overview

For the first time, a Benetti 37m B.YOND is available on the brokerage market. With the model sold out until 2028, NEVER SAY NEVER AGAIN is the perfect opportunity for the client that is looking for a nearly new vessel. With a huge volume of 431 GT, the space that NEVER SAY NEVER AGAIN offers is truly unparalleled for a vessel of her size. Each guest cabin feels comfortable and spacious and in many ways the yacht feels like she has more space on her than many of the 50m yachts in the market today. Fitted with the optional €2million Siemens hybrid drive system, the yacht has fantastic long range capability whilst also offering exceptionally quiet cruising. The yacht needs to be seen to be believed in terms of what she offers and we would highly encourage viewings while she cruises the Bahamas and The Caribbean this winter. **KEY FEATURES:**- Huge volume with 431 GT- 6 Cabin arrangement (note one has been transformed to a gym, but we still have the furniture to return to a cabin if needed)- Steel Hull, Aluminium Superstructure - Built to comply with Malta Commercial Code (gap analysis also available for C.I REG YACHT CODE)- Only ever used privately- Siemens Hybrid propulsion system- Huge garage space allowing for Williams 625 Tender, 2 x Sea Doo's and Rescue Tender
