SPECIFICATIONS

Overview

Following in the wake of her elder sister the Oceanis 46.1, this 40-foot cruiser, with a new hull design by Marc Lombard, offers unrivalled deck volume and interior space, with zero concessions to performance. The Oceanis 40.1 is available in different layouts, drafts and rig options, adapting to the most demanding sailor's cruising requirements and satisfying their need for comfort and pleasure under sail. This IN-STOCK model features a layout option with three staterooms and one head and stall shower. The interior is bright and airy with the White Oak finish and classic light colored Neo interior cushions. As with the voluminous interior, the cockpit is a major selling feature - very manageable to sail by yourself and big enough for a crowd for a day sail. Click on additional Descriptions to learn more about the optional and standard features on this incredible new cruiser. The philosophy of the Oceanis 40.1 is to make sailing and mooring pleasurable. The strengths of this cruiser, studied in detail by the architect Marc Lombard and the BENETEAU design office, are unrivaled interior space, a huge deck plan and the ability to clock up miles when you are cruising. With new and used sailboat inventories at an all time low, call today and make an appointment to tour one or both Beneteau 40.1's in stock.
