SPECIFICATIONS

Overview

Designed in a modern Carolina Downeast style, the MJM 3 is a luxury performance, all-weather, dual console day-yacht. The MJM 3 includes the protection of an indoor/outdoor pilothouse, the most usable space in class, and delivers the swift, soft ride of an advanced Doug Zurn hull design. The digital fly-by-wire technology of the MJM 3’s twin Mercury Verados delivers quiet running with joystick piloting, Skyhook station keeping, low maintenance costs, easy pre-flight checks, and all the fun of shallow water capability. Family and friends will love her three distinct social areas, including the enclosed HVAC controlled indoor/outdoor pilothouse where you can escape sudden inclement weather while enjoying 360-degree views. This protection also allows you to get out on the water sooner in the season and stay out later in the year. Revel in the close connection to the water that is the MJM 3 experience. Please note, pricing may not include freight, commissioning, and certain options.
