SPECIFICATIONS

Overview

The Wellcraft 355 allows boaters to combine the thrill of piloting at high speed and the ability to discover unexplored places with a lifestyle of relaxation and luxury. The spacious wheelhouse with a fully equipped galley provides comfort for five while cruising along. A sliding side door at the helm grants convenient access to the side passage and front cockpit. Three large sunbathers, with a spacious bench in the bow, create a luxurious place for relaxing. On either side of the aft cockpit, two large side gates enable easy boarding access. One of the most extraordinary features of the Wellcraft 355 is the connection between the wheelhouse and the aft cockpit: simply open the top-hinged window and entrance door and feel the outside getting inside. Find the real luxury feeling of the Wellcraft 355 by stepping down in the spacious front cabin with a full-size bed and ensuite bathroom with a separate shower. Overall, you may sleep up to four people on board!

About Wellcraft & the 355 design

For over six decades, Wellcraft remains the vanguard of offshore boating with a strong history of power and performance. Today, Wellcraft is widening its offer with a new, versatile generation built for all adventures, in all types of weather, providing a new perspective and enthusiasm for boaters worldwide. Outlasting trends, Wellcraft will enable them to conquer new territories, pushing the limits further than ever before. This new generation of performance cruiser will provide a wide range of capabilities and purposeful functions, responding to the toughest demands and meeting every challenge!

The Wellcraft 355 takes the lead in every aspect; outstanding design, comfort, and most importantly, speed and seaworthiness. Designed to push the limits - out past the horizon where the water is deep and the adventure begins - Wellcraft utilizes its rich heritage of offshore experience to push into this new market with American flare and shameless enthusiasm.
