SPECIFICATIONS

Overview

The Flyer 8 SUNdeck exceeds regular day boat standards by combining comfort, generous space, and sensations. Its highly optimized design makes it the ideal boat for a weekend getaway. A decent-sized cabin lies beneath a large sunbathing area for lazing in the sun. The Flyer 8 SUNdeck has the aesthetics of a modern classic, with taut yet attractive lines, complete with black pulpits. Developed on the latest generation of outboard hulls equipped with Air Step 2, the boat lifts off quickly and offers outstanding cruising comfort. The aft bench seat is easy to fold back, providing optimum cockpit space. There are also lots of ergonomic storage spaces spread throughout the boat. The Flyer 8 SUNdeck is astonishingly comfortable inside. The double-berth cabin has incredible headroom for a boat this size. The boat also has a separate head and a small galley. Certified to carry 10 people, the quality of the Flyer 8 SUNdeck's fittings and its finishes make a big impact. Open to a wide variety of programs, it would be hard not to spend a few more days enjoying the pleasures of the sea. The longer deck profile gives the boat tauter lines and a streamlined silhouette. Its sloping hull windows accentuate its sporty character, promising speed and thrills. The wide Smart Walkaround gangway offers excellent access to the spacious foredeck on the port side and the comfortable sunbed fitted with reclining backrests. The large cockpit stands out with its exceptional modularity and welcoming feel. Price may not include freight, commissioning, and certain options.
