SPECIFICATIONS

Overview

With a length overall of just over 36 feet, the new flagship of the Antares fleet is the perfect illustration of a family cruiser. Safe, ideal for cruising, and seaworthy, the contemporary design of this powerboat focuses on comfort and space, as well as safety and innovation. The result of a new collaboration between BENETEAU and Sarrazin Design, the spirited modern silhouette is emphasized by the vast areas of glazing in the wheelhouse, providing optimum light on board. Lots of smart modular solutions make life on board very pleasant. Light and cruising comfort characterize this large weekender. The double master cabin with en-suite shower room is a well above the usual standards. The aft cabin is full beam and has three berths. The Antares 11 has a convertible saloon and can accommodate up to 7 people in excellent conditions. The extensive glazing in the wheelhouse provide a stunning all-around view. With the hallmark of a weekender range whose qualities have stood the test of time for over 40 years, this wonderful family cruiser powerboat is designed for a multiple boating programmes, and therefore for a wide variety of fun leisure activities! Powered with up to 2 x 300 hp outboard engines she boasts fine performances. Her many innovative solutions ensure a high level of comfort: aft sun bench, side swim platform creating a sea-view terrace, flush deck connecting almost seamlessly with the cockpit and the wheelhouse.
