SPECIFICATIONS

Overview

With a length overall of 11 metres, the new flagship of the Antares fleet is the perfect illustration of a family cruiser. Safe, ideal for cruising, and seaworthy, the contemporary design of this powerboat focuses on comfort and space, as well as safety and innovation. With a flybridge blending seamlessly into the profile of the Antares 11 FLY, the boat offers even greater comfort on board and the thrills of outdoor boating. The result of a new collaboration between BENETEAU and Sarrazin Design, the spirited modern silhouette is emphasized by the vast areas of glazing in the wheelhouse, providing optimum light on board. Lots of smart modular solutions make life on board very pleasant. Light and cruising comfort characterize this large weekender. The double master cabin with en-suite shower room is a well above the usual standards. The aft cabin is full beam and has three berths. The Antares 11 has a convertible saloon and can accommodate up to 7 people in excellent conditions. The extensive glazing in the wheelhouse provide a stunning all-around view. With the hallmark of a weekender range whose qualities have stood the test of time for over 40 years, this wonderful family cruiser powerboat is designed for multiple boating programs, and therefore for a wide variety of fun leisure activities! Powered with up to 2 x 300 hp outboard engines she boasts fine performances. The flybridge is fitted with a starboard driving station with a contoured driving seat. Two facing port benches create a very delightful saloon. The flybridge has an additional stern relaxation area, with a large sunpads. Options can be added, such as a bimini or a solar panel.
