SPECIFICATIONS

Overview

2023 BENETEAU Antares 7 Fishing Version

The Antares 7 proudly displays a vigorous, dynamic style. Its taut, clean lines confer a sporty allure, like the rubbing strake that gives the boat its lean, elegant silhouette. This new unit asserts its own character while retaining the characteristic features of the Antares range. Its cockpit, slightly offset to port, offers a wide gangway to starboard that facilitates access to the forward sunpad. In this Fishing version, the aft bench seat is replaced by a fishing station equipped with rod-holders, cup-holders, cutting board and storage space for lures and hooks. A livewell is located to port. To starboard, there is additional storage space under the gangway. The Antares 7 salon offers outstanding comfort. Modularity is enhanced by a swivelling pilot's seat, and a co-pilot bench seat that tilts in an instant to face the second bench seat, or to create a berth. The galley area is located behind the pilot's seat. The care taken in designing the Antares 7 silhouette follows into the saloon, which has a particularly attractive helm station. Fitted with an all-black dashboard in a single piece, it elegantly compliments the boat's overall finish. The many glazed windows and ventilation openings offer all passengers superb panoramic views and excellent aeration. The cabin's numerous storage spaces and modularity make for a very comfortable life on board. Price may not include freight, commissioning and certain options, contact us for details.
