SPECIFICATIONS

Overview

This beautiful two owner boat spent the first 8 years of its life in freshwater on Lake Erie in Catawba Island, Ohio. The current owner purchased the boat about three years ago through me and moved the boat to its current location in New Jersey. The boat was used lightly during the past three years and the owner would like to see this boat purchased by a boater that will have more time to use it. The very maneuverable, joystick controlled, Cummins 480 engines with Zeus pod drives have less than 400 hours. The Onan 13.5 Kw generator has approximately 440 hours. She features the optional Sea Ray Horizon Gray hull, air conditioned flybridge, dual Raymarine Hybrid Touch electronics with Radar and Satellite TV.

Basic Information

Category: cruiser

Sub Category: Sedan Cruiser
