SPECIFICATIONS

Overview

Check out this boat. You get all the space of an aft cabin with the cockpit from a convertible. Carver basically added a cockpit to the 355 MY, one of their most popular boats. This gives you two staterooms, two heads along with a full size dinette and galley. This one is great for families as the forward stateroom has the optional single bunk over the double berth making for a total sleeping capacity of 9. This boat is just as nice on the exterior too. The aft cockpit makes water access easy and also makes boarding the boat from the dock a breeze. There are two helm stations, Twin 454 Crusader V8s, Generator, Two Air / heat units, Radar, GPS, two heads with showers, full galley, new windlass anchoring system.
