Overview

The 2009 42m CUSTOM Motorsailer is an embodiment of sophistication and luxury - an exemplification of an unparalleled sailing experience. It is a manifestation of advanced craftsmanship and timeless design. This Motorsailer loa is 42 meters including the bow sprit (hull loa length is 35.50m) with a wide beam of 7.60m and weighs nearly 240 tons. Custom Built in Greece by experienced shipbuilders and with an interior by Lally Poulias Design, this 42m motorsailer is an epitome of high-quality construction and detailed engineering - every inch designed and constructed with precision and care, ensuring its durability and appeal remains timeless. As you approach the boat, it's hard not to be taken in by the magnificent profile of this vessel. It is a wondrous sight to behold, with the radiance of its gleaming hull reflecting beautifully off the water surface. The gleaming exterior of the yacht is ensuring that the vessel retains its mesmerizing appeal even after several years. Once onboard, you will be greeted by a spacious deck and a large cockpit that offers plenty of space for lounging and leisure activities. The side decks are wide and secure, making movement around the boat easy and safe. The aft deck is home to a substantial dining setting, perfect for al fresco meals while anchored in a picturesque bay, whereas the foredeck hosts a series of sun pads and a relaxation area - the ideal spot to unwind with a good book and a refreshing cocktail. Inside, the interior is just as impressive as the exterior. The main deck cabin is preferred as the Owner's suite. The lower deck hosts another five generously sized cabins including another master suite forward, two VIP staterooms, and two guest cabins - each impeccably designed with opulent furnishings and private ensuite facilities. There's also a dedicated crew area for six, designed to ensure the utmost privacy for guests. The main salon encompasses comfortable lounging areas, a dining area, and entertainment facilities including a piano and a chess table. The ambiance of this space is simply extraordinary - beautifully lit, meticulously appointed, and exquisitely designed to promote comfort and luxury. Powered by 2x 525hp Cummins engines, it is also a performance Motorsailer. Regardless of whether you prefer a peaceful sail or a fast-paced yacht cruise up to 13.5 knots, this vessel has the agility, speed, and stability to deliver an exquisite sailing experience. It integrates both underway and zero speed stabilizers, that make for easy, uncomplicated sailing in the most demanding sea conditions. In conclusion, the 2009 42m CUSTOM Motorsailer is an experience, a statement, and a lifestyle. It offers total freedom of exploring boundless seas while providing the highest level of comfort, safety, and enjoyment - an unparalleled sailing adventure that is second to none.
