SPECIFICATIONS

Overview

Beneath the main deck of the 64ft yacht, a sizable master cabin is complemented by a living area convertible into a second cabin, featuring a kitchen, two bathrooms, and a dedicated crew space. Inspired by the ethos of a sports vessel, the 64ft seamlessly blends practicality with Marco Ciampa's minimalist style, creating an elegant design. The distinctive plunging wall structure, coupled with sleek clean lines, establishes a profound connection to the water, embodying the essence of the brand's vision. Providing respite from the sun, the yacht's recognizable hardtop cover casts shade on the deck, offering a refreshing space to cool down after basking in the sun on the expansive sundeck. Below this shaded area lies a garage capable of accommodating a 2.80m waterjet tender, enhancing the yacht's versatility and functionality.
