For Sale by Waterline Boats Port Townsend

Benefit from an immersive experience, featuring 3 Virtual Tours, 1 Video, and 106 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Freedom 33 - Contact our Waterline Boats Broker!

Boat REF# · 330214 Length · 33'0" Year · 1981 Construction · GRP Underwater profile · Fin Sleeping berths · 6 Engine · 1 x diesel 30hp, Yanmar 3YM30 (2013) **Lying · Port Townsend, WA USA -- Shown by Appt! Broker's Comments:** This boat appears to have been generally well cared for and updated. Newer sails, the carbon fiber masts pulled and serviced, and a new engine was installed 2014 by Haven Boatworks, and has just 235 hours. New Simrad chartplotter and RIB tender w/ new Honda outboard. The boat was hauled just prior to listing for new bottom paint, anodes, and a hull polish. The hull and decks are balsa cored, meaning they feel solid underfoot and the cabin is well insulated from sound and temperature. The interior layout of this boat feels astoundingly roomy for a 33 ft sailboat and the interior woodwork, joinery, and finish are top-notch and must be seen. A battery bank of 8 AGM 12V batteries supplemented by 3 solar panels (~245 watts) provides power for extended cruising or anchoring. All lines lead to the cockpit which allows total control of the sails from the cockpit, facilitating shorthand or singlehanded sailing. The unique styles rig allows the boom and sails to extend beyond athwartship and allows the skipper to sail wing and wing. This boat was surveyed just surveyed in July, 2023, and is an excellent opportunity at a very approachable price for someone that is looking to cruise locally or long-range, liveaboard, or all of the above!
