## Overview

### Sea Ray 47 Sedan Bridge

#### Freedom Lift, Updated Electronics, FLIR, Bow/ Stern Thrusters

Erebus is an excellent example of a two stateroom, two head Sedan Bridge. Characterized by her low profile appearance, massive flybridge, and Cummins diesel power (NO PODS), the 47 is a very versatile and comfortable Yacht.

The 47 differs from most sedan bridge floor plans in that the galley is positioned aft of the salon giving an open feel throughout and allowing easy access to the cockpit. The dinette is forward, two steps up from the salon level, where guests can enjoy a panoramic view of the water. Below decks, there is a comfortable full beam master stateroom amidships with the VIP forward. Both are fitted with queen island berths, and flat screen tv's. The expansive flybridge features a hard top with full enclosure, a summer galley, and is arranged with the helm aft and convertible lounge seating forward.

#### Highlights include:

- **Twin Cummins QSC-600 (V-Drive w/ Straight Shafts)- 977hrs**
