## Overview

Our flagship GT6 is a next-generation Grand Tourer that delivers the perfect balance of speed and power, comfort and luxury, good handling and precise control. Stiff, stable and weatherly, the high-performance hull and sailplan by Humphreys Yacht Design are optimised for short-handed, medium-range cruising. Three generations of Humphreys/Elan design evolution and extensive CFD modelling produce a refined yacht that handles like a thoroughbred and delivers exhilarating performance on all points of sail, across the full range of wind and sea conditions. Unique styling by Studio F. A. Porsche gives the GT6 a strikingly elegant silhouette with sharp, distinctive lines and elaborately curved surfaces that create beautiful flares of light as the yacht moves through the water. In the cockpit, excellent ergonomics and a host of innovative design features bring a new level of luxury to life on board. Studio F. A. Porsche's iconic design values and world-class ergonomics create a uniquely stylish, luxurious and practical living space inside the GT6. The sleek panoramic deck saloon gives a wonderful 180° view and a cleverly inverted layout makes the best possible use of the spacious, broad-beamed hull. The galley is forward, right on top of the keel where the yacht's motion at sea is most comfortable with minimal heeling, pitching and rolling. This frees up space further aft for a huge full-beam saloon. A lavish owner's suite with a king-size island double bed makes best use of the forepeak and big through-hull windows in every cabin give a great view out. A wide range of layout options and configurations are available to tailor the rest of the accommodation, systems and stowage on board to best suit you, your crew and your style of sailing. And throughout the boat, exquisite details, premium materials and a beautifully handcrafted finish enhance the joy of being on board. Contact us for more details and to discuss the numerous options available! You can ORDER this boat today. Images are manufacturer provided and not of a boat in-stock.
