## Overview

---

The **Aquitalia Trawler 53** is the flagship of the **Aquitalia trawler** range, and she really has big boat character. This stunning boat looks and feels far larger than her actual size.

With a vast amount of onboard space ranging from the amazing full bow master cabin, spacious saloon, extensive Flybridge and deck space, the AY53T invites you to sail away in absolute comfort. This well build example has just undergone a complete refit by the original shipyard, low engine hours and is kitted out to a high standard for comfortable cruising. Newly polished hull, superstructure and painted interior, making her look brand new again.

Photos and GA of her Sister ship. Actually no crew cabin
