SPECIFICATIONS

Overview

"THE GARLIC" is a beautiful 70E Marlow Explorer that has been taken care of with an open checkbook. The 70E is recognized for her stunning profile and traditional lines, a seaworthy boat designed for long range, open ocean excursions but capable of speed when needed.

The Flag blue Awlgrip finished hull is a desired color, while best-in-class technologies are employed in the yacht's overall construction. The composite structure of Dupont Kevlar, vinylester resins, core-cell foam and engineered fabrics are vacuum bagged and built in only three major molds to eliminate unsightly joint areas and achieve superior strength that withstands the punishment of rough seas and floating objects.

Designed and patented Velocijet Strut Keels delivers outstanding performance that tracks reliability through the toughest seas. The core - cell foam construction provides unparalleled strength and provides excellent sound and thermal insulation.

Features and Upgrades:

- Reliable Caterpillar 3406 (800hp) with Low Hours
- Top Speed over 20 Knots
- Open Flying Bridge (with New Isinglass)
- Bow and Stern Thrusters
- Yacht Controller
- Naiad Fin Stabilizers
- New Watermaker
- New Props
- 3 Staterooms/4 Heads
- All Services Up to Date
