SPECIFICATIONS

Overview

Grover is without doubt the nicest Dyer 29 to ever to come on the market. She is highly customised but still has all the appeal and charm of a classic down east style yacht. She is perfect for an evening cocktail or weekend getaway. She will easily accomodate 6 passenger in her cockpit in comfort and style with a larger bench seat across the transom Aft facing seat with built in cooler and large U Shaped seating to port. The current owner bought her in 2012 and transformed her into a one of a kind yacht. She comes with bow and stern thrusters. She is powered with a 315hp Yanmar engine with only 560 hours on her, Brand new canvas, Brand new cushions, Brand new varnish and teak decks. Whole new interior. She is like a new boat from top to bottom with all new varnish and a new paint job. She has been stored on her custom road trailer inside a heated building for a number of years and is absolutely turn key and ready to go. She has had only 2 owners in the last 20 years and both maintained her with an open checkbook policy. This boat won't disappoint.
