## Overview

---

Dominus is in like new condition and presents like a much newer boat. With just under 400 hours on the Volvo Penta D11 700 hp engines and pods, she offers exceptional value on the current market. Beautifully designed and built, Dominus will cruise nimbly, in style, and safely. This is an amazing vessel.

"The Cranchi boasts excellent mileage (about 30 percent more fuel efficiency than a similar-sized boat powered by conventional inboards), brisk acceleration, a quiet ride, and easy maneuvering thanks to the joystick installed at the helm. The helm is interesting too, as it's set on centerline and features two slick bucket seats." ~ Boats.com
