SPECIFICATIONS

Overview

The Pardo 50 possess a perfect balance between performance and comfort. Its V-shaped hull has a variable geometry: 16° at stern and more than 50° in the forward section. This guarantees a great seakeeping and at the same time good maneuverability, allowing planning in safe and fast conditions. The Pardo 50 is the epitome of Italian-style, performance, and comfort on the water. As the flagship model of the Pardo Walk-Around model line, the 50 is exquisitely appointed while also offering excellent seaworthiness. The deep-v hull guarantees a smooth ride, gliding effortlessly through the sea safely and at exhilarating speeds. Pardo Yachts is synonym for power and elegance, comfort, functionality and personalization. These values identify each Pardo Yachts model, hand built by expert artisans for a sophisticated owner, who appreciates high quality, top design, luxury and comfort, combined with performance and speed.
