SPECIFICATIONS

Overview

Garroni Design and the Prestige Design team have collaborated on a new flagship for the F-Line, with clean contemporary good looks, a spacious hardtop flybridge for those who prize living in the open air. The PRESTIGE 690 flybridge offers 240 sq. ft. of entertainment space in multiple layouts, a large dining area for six, and a fully equipped outdoor galley—all under a standard hardtop with an opening sunroof. The aft deck features a single stairway to the wide, deep swim platform, and aft bench seats—with an available sunpad on the 690. Abundant natural air and light are hallmarks of the PRESTIGE Yachts salons, achieved here by wide sliding glass bulkhead doors. The modern galley is aft and to port for easier service to both the aft deck and the adjacent interior dining area. Opposite the large salon bench, there is private stairway access to the full-beam master amidships. Owners may choose either a three- or four-stateroom layout. Expect the attention to metal and wood craftsmanship found on the X70 and throughout the Prestige lineup. Both the Volvo IPS 1200 and IPS 1350 systems are available, as well as the latest-generation SeakeeperSK18 gyroscopic stabilizer system. Ship's systems are easily accessed on the advanced Ship Control system.
