## Overview

Taking things up another step is the brand-new Prestige 590, which adds real wow-factor to the brand's range of family-friendly power cruisers. Ideal for longer trips up the Columbia River or perhaps up to Vancouver Island, this serious boat designed by Garroni Design includes a spacious flybridge, sleek interior styling, and option to choose between a tender garage and single ensuite crew cabin in the aft. In total, the Prestige 590 can receive up to 7 overnight guests, including a master ensuite cabin, a double cabin, and another twin cabin, which all boast ample storage. The Prestige ethos of comfort and privacy is immediately apparent with the private staircase offering direct access to the master cabin. Another impressive feature of the Prestige 590 is the cutting-edge Ship Control feature, which allows her owner to manage all of the onboard systems directly from their tablet. Like her smaller sisters, the Prestige 590 has an impressive top speed of 29 knots and a cruising speed of 23 knots with a range of 260 nautical miles.
