Overview

Whether you're commuting to the the San Juan Islands, tailgating at UW games (if you know you know), or barreling down the Strait of Juan de Fuca returning from a coastal adventure, the Wellcraft 355 is built to do more. This is a seriously rugged, performance oriented vessel that stands above the competition.

The Wellcraft 355 takes the lead in every aspect; outstanding design, comfort, and most importantly, speed and seaworthiness. Designed to push the limits - out past the horizon where the water is deep and adventure begins - Wellcraft utilizes its rich heritage of offshore experience to push into this new market with American flare and shameless enthusiasm.
