SPECIFICATIONS

Overview

Brown Eye Girl has been owned by her current owners since 2001 who have enjoyed using the boat seasonally in Rhode Island waters. During that time the owners have put on less than 700 hours on the engines which they have maintained regularly. Some of the recent upgrades include the starboard batteries being replaced with AGM's in 2021 and the port batteries being replaced in 2022. The flybridge enclosure was redone 6 years ago and is good condition. The 20 Kw Onan generator has approximately 2500 hours and runs well.

This boat boasts a large livable layout whose salon/galley configuration is great for entertaining and the generous accommodations will be appreciated by all aboard.

The owners have decided it is time to sell Brown Eye Girl as they are not being able to use the boat to the extent that they had in previous years. To underscore that fact last season they only put 3 hours on the engines. As such, Brown Eye Girl is ready for a new owner who will appreciate this proven Hatteras design.

Basic Information

Category: Sport Fisherman

Model Year: 1986

Year Built: 1986

Country: United States

Dimensions

LOA: 52' (15.85mm)

Beam: 16.33
