SPECIFICATIONS

Overview

Rare West Coast find. La Ballona Too is a high-performance cruising catamaran with daggerboards that will easily outperform other catamarans in her class. One of Catana's most popular models, the Catana 431 is an ideal cat for bluewater cruising, either single-handed or with a family. She is fast, light and easy to handle. Dual helm stations aft provide excellent visibility and a true feeling of sailing. The spacious interior is thoughtfully laid out providing comfort for extended cruising. This catamaran combines performance, comfort, and quality craftsmanship, something you won't find in modern production cats. Call now to schedule a showing. She will not last long.
