## Overview

---

ANDIAMO boasts a family-friendly and versatile layout, accommodating up to 12 guests in five cabins. The master cabin offers direct access to its own private terrace through a sliding hatch hidden below the staircase that connects two decks, ensuring complete privacy. High cabin volumes ensure comfortable and spacious areas in which to retreat, complemented by large windows that flood the living spaces with natural light.

Her vast exterior decks form an expansive area for relaxation and sunbathing. The yacht's exterior design by Zuccon International Project showcases a thoughtful layout, with a folding balcony in both the Main Salon and Upper Deck Salon, adding an extra touch of sophistication and private corners. The large swimming platform creates an impressive beach club.

Built by an experienced Sanlorenzo Owner and Captain, this yacht not only excels in design but also in performance. With a low consumption rate and an impressive 3,000 nautical mile range, she stands out as one of the newest and most efficient yachts in her category. The SD118 is also a popular charter model, with proven success, making ANDIAMO an ever more enticing choice for a buyer interested in creating a charter program.

Few similar yachts are currently available for sale making her a standout choice. Also one of the newest yachts in her category, she is a must-see for any discerning buyer.
