SPECIFICATIONS

Overview

Priced to sell "B4" was in the freedom boat club since new and has now been retired. She just received a complete engine service and a complete interior and exterior detailing has been done including fresh bottom paint. She is powered with a Mercury 150 with only 544 hours on her. Her cushions are in excellent condition as is her interior. She wont last long. This family-friendly outboard model combines all the most popular aspects of the DX Series. The sleek exterior is complete with hull sculpting and stylish shear lines while the interior is loaded with all the comforts of home. The plush upholstery features quilting with black welt plus transitional cockpit and transom seating offer total lounging comfort while facing forward or aft. When underway the wider V-hull offers stability and a high freeboard keeps everyone safe and dry.
