SPECIFICATIONS

Overview

New for 2022

It is a very special yacht, that takes the tradition of the original performance cruiser into the future with all new innovations. A yacht, that adheres to this tradition with its name already: the Dehler 38SQ (Speed Quality)

Breathtaking: the new design.

Even sleeker lines, an even sportier look, greatly enlarged hull windows – and a bowsprit that is perfectly integrated into the aerodynamic design.

Unique: Dehler design

Take your pick from several rig and sail options. Maximize the sailing performance with premium winches and a square-top sail.

Unique: the interior.

The exquisite surfaces, the variety of layouts, and the brightness of the cabins leave nothing to be desired.
