SPECIFICATIONS

Overview

The Sunseeker Predator 95 “Full respray 2021” offers a huge living area created by the seamless blending of the deck saloon into the extensive aft cockpit.

Providing accommodation for 8 guests in four well appointed cabins she represents great value for money and is an opportunity not to be missed. Outdoors, the aft deck beach club, which can be accessed via sliding glass doors from the main level salon, includes a settee, a U-shaped lounge and table for al fresco dining, and oversized sunpads for catching some rays.

There’s also a lighting/sound system that transforms the space into a starlit disco so you can dance the night away. For a tranquil escape, there is a large sunpad and sofa on the bow.

The Predator 95 is powered by two MTU 2000PS diesel engines makes it capable of 18 knots cruising and 33 knots maximum speed.

Viewings are encouraged and will not disappoint.
