SPECIFICATIONS

Overview

This 2019 Leopard Power Cat 51 stands out as the epitome of its class. Among the last of the 51 PC models produced, it exudes a well-maintained allure and has never been chartered. It has also undergone a thorough 1000-hour service with a complete systems check on the engines and generator. Mechanically speaking the boat is in pristine condition. Inside, the three-stateroom, three-head layout (excluding the crew bunk and head accessible via the foredeck) offers comfort and convenience. The master stateroom, extending across the starboard sponson, provides spacious accommodation for extended stays in picturesque locations. The port sponson houses two staterooms, each with an attached head. On the main deck, a generously sized galley and dining area, convertible into a bed for additional sleeping space, awaits. A lower control station for docking and a chart plotting area are also featured. Outside, numerous spots beckon you to savor your surroundings. Forward, a sun pad and covered seating area provide relaxation options. The aft deck boasts a comfortable seating area with a table for six, an electric dinghy lift doubling as an expansive swim platform at anchor, and ample space for entertainment and leisure. Ascend to the flybridge, and you'll find the helm station, a sizable seating area with a table, an outdoor galley, and another sun pad. The flybridge galley is equipped with a sink, refrigerator, ice maker, and electric grill.

Basic Information

Category: Cruiser

Sub Category: Cruiser

Model Year: 2019
